Matched by Ally Condie

In the Society, officials decide. Who you love. Where you work. When you die.

Uglies by Scott Westerfeld

Set in a dystopian future, where everyone is perfect—but at what cost?

Scythe by Neal Shusterman

Set in a world with no hunger, no disease, no war, no misery. Humanity has conquered all those things, and death. Now scythes are the only ones who can end life—and they are commanded to do so, in order to keep the size of the population under control.

City of Ember by Jeanne Du Prau

Hundreds of years ago, the city of Ember was created by the Builders to contain everything needed for human survival. But now it is almost out of food, crops are blighted, corruption is spreading through the city and worst of all—the lights are failing...

Legend by Marie Lu

What was once the western United States is now the Republic, a nation perpetually at war with its neighbours. The lives of June, (born into an elite family) and Day (born into the slums), become inextricably entwined as they discover the truth of their world.

The Last Book in the Universe by Rodman Philbrick

A fast-paced action novel set in a future where the world has been almost destroyed.
